ENVIRONMENTAL  
STONWORKS®

The **ONLY** National  
 Manufacturer and  
 Installer of Stone  
 Veneer, so there  
 is **ONE** point of  
 responsibility from  
 start to finish.

With its simplicity, clean lines and tactile design, modern architecture and design is gaining in popularity – both inside and outside the home. Environmental Stoneworks is leading the way in creating a unique and modern perspective of stone for today's discerning homeowner.

Our varied and colorful stone veneer is adding exciting depth and amazing textures to house exteriors, outdoor living spaces, interior designs and accents, everywhere imaginable. And that's just our stone. The way we operate is also turning heads. Our start-to-finish philosophy ensures the design, manufacture, installation and warranty support all happen under one roof.

To find out more about what sets us apart from other companies, visit [estoneworks.com](http://estoneworks.com) or call **800-891-5402**. We think you'll love the perspective we'll bring to your next job.

# MANUFACTURING + INSTALLATION = MORE VALUE

Environmental StoneWorks stone is manufactured and installed by our own trained craftsmen and meets or exceeds every spec in the book. You will have one point of responsibility from a company with over 40 years of experience of performing day in and day out. No wonder more general contractors, architects and builders trust us with their projects.

**Start with quality.** Have a look at our regional product selections from all over North America to meet your design needs at [www.estoneworks.com](http://www.estoneworks.com).

**Add the right people.** From your dedicated Sales Leaders and Project Management team to a highly-trained and certified installation crew, your project will remain in extremely capable hands from start to finish.

**Communicate daily.** Enjoy real-time reporting from our field support team so you are always kept in the loop. We are proud to offer the latest in communication technology.

**Stay safe.** Our safety programs are groundbreaking – and our safety record is exemplary. That's why safety is our bottom line.

**Get more value.** Because we install, you enjoy greater control throughout the project. We also provide the best product and installation warranties in the business.

- All products are IAPMO - ER-386 certified and conforms to the latest AC-51 specifications
- Over 60,000,000 square feet of annual production capacity
- 5 Manufacturing Plants and numerous Installation Hubs located strategically throughout the country
- Over 30,000 projects executed yearly
- Millions of dollars of bonding capabilities to ensure your project is always protected
- Material only sales available where installation service is not offered or preferred
