

Texture for Living.

STONECRAFT  
INDUSTRIES®

*Profile Book*

Stone has a unique intricacy that is simply captivating. With such diversity in shape, color and texture, it's easy to see why it can dramatically enhance any exterior or interior space.

Our commitment to craftsmanship can be seen within every textural detail, countless hours spent hand-chiseling each and every natural stone before it was carefully replicated through our proprietary mold techniques. At StoneCraft, we honor the masonry traditions of the past and promise to deliver quality and affordability with every stone we make.

# LAUREL CAVERN LEDGE

Laurel Cavern Ledge was meticulously crafted to create a timeless appearance. Handpicked from the rocky ravines and cliffs of North Carolina, this unique profile has rugged yet well defined features.

# HERITAGE

The warm and traditional appearance of Heritage lends itself to a wide variety of architectural styles adding elegance to any residential or commercial application. Each stone was originally hand-chiseled by masons to create rugged rectangular ashlar shapes. The profile installs into randomly coursed patterns for an impressive visual statement.
